Afterschool Wellness Policy

Every effort is taken to reduce the spread of illness by encouraging hand washing and other sanitary practices.

If your child is unable to participate in the normal activities of the afterschool (including being able to play outside), then your child **MUST** stay home.

Children will be visually screened when they arrive in the morning or the afternoon. In the event a child becomes ill and needs to be picked up, the parent(s) will be called and are expected to come pick the child up within one hour (60 minutes). If the parent(s) cannot be reached, or have not arrived within an hour, the emergency contact person will be called and asked to come pick the child up.

Symptoms requiring removal of child from afterschool:

- Fever: Fever is defined as having a temperature of 100°F
- Fever AND sore throat, rash, vomiting, diarrhea, earache, irritability, or confusion.

Your safety comes first. Do not bring your children if sick and experiencing symptoms.

BROOKLYN GYMNASTICS AND DANCE
